FIIRE CHIEF

**Fire Chief
Petition-Warrant Article**

I, the undersign Town of Litchfield New Hampshire registered voter, wish to have the below noted By petition, warrant article, inserted on to the Town of Litchfield 2019 Town Warrant meeting.

Elected Fire Chief

BY PETITION: To see if the Town will vote to reverse the appointed office of part-time Fire Chief to an elected position. The current Fire Chief shall continue to hold the office until the 2020 Annual Town Meeting election, at which time, the Town will elect a part-time Fire Chief. If adopted, the authority of the Town to elect the Fire Chief shall continue in effect until changed by a majority vote at an annual or special meeting.

Purpose for article: To hire a Fire Chief within our town that understands and shares our tax burden. Who does not require the yearly salary the current Board of Selectmen approved, This will also help to ensure fair and equal Employment Opportunities, help to build better communication between the fire chief and our community, help to keep the taxpayers informed of spending and allow for the taxpayers to work with our governing body and fire chief to bring the way our fire department operates in line with other communities of our population, not the larger ones they are using, like Nashua, Bedford, Hudson and Manchester.
