**Building Official, Health Inspector, Zoning Administrator positions (3 separate part-time positions)
Petition-Warrant Article.**

I, the undersigned, Town of Litchfield New Hampshire registered voter, wish to have the below noted By petition, warrant article, inserted on to the Town of Litchfield 2019 Town Warrant meeting.

Reinstate original Code Enforcement Officer (Health Inspector and Zoning Administrator position. (made up of 1 employee)

BY PETITION: To see if the town will vote to reverse the Code Enforcement Officer, Health Inspector and Zoning Administrator (three positions in one) back to its prior successful operation as a single, appointed position, reporting to the Board of Selectmen, and being independent of the fire department. If adopted, this change will take effect within 30 days and continue in effect until changed by a majority vote at an annual or special meeting.

Purpose of article: This position ran effectively and efficiently prior to the Board of Selectmen making this unfavorable change without taxpayers input. This position was held by someone with experience, dignity, honesty and loyalty to our town and these type of changes by the Board of Selectmen need to stop. When this town finds a devoted citizen like our prior code enforcement officer, we need to stand together and protect what we have.
