Call to Order:

Business:

Webber / Lynch moved to adopt article 13 - solar exemption as amended at deliberative session to read as follows:

ARTICLE 13 - SOLAR EXEMPTION

Shall the Town adopt the provisions of RSA 72:61-64 inclusively, which provide for an optional property tax exemption from the property's assessed value for persons owning real property which is equipped with solar energy systems intended for use at the immediate site. Such property tax exemption shall be in the amount of the assessed value of qualifying solar energy system equipment, up to a maximum of \$27,000. This exemption shall only be available to property owners who expend funds for the installation of such systems. Therefore, if the property is sold, the new owner shall not be eligible for the exemption. ***Note: Given the current number of eligible recipients this will result in the loss of \$23,018.58 of property tax revenue with an estimated tax rate impact of \$0.02.***
