Moore's Falls: Joan reported that Wm. Parker, eagle scout candidate, has put up the posts for the narrative signs and the laminate text will be placed this spring.

Project bird houses: Roger has put together one of the cedar bird houses as a sample. He had a suggestion on which screwdriver to use, but generally it went together well. The boy scouts will be putting the rest of them together probably Feb. 7 at LMS.

Bat box location: Sometime ago the Mosquito District Committee purchased a large bat box. The Commission discussed putting it at Darrah Pond in a large pine tree and finding someone who could help us get it high enough.

Joan and Jayson Brennan met with Rick Charbonneau on January 19 regarding material needed, etc. for the driveway.
